

2.21 - Male-Father and Female-Mother Intermingle

Male / Father / [Syntropic](#) and Female / Mother / [Entropic](#) Forces will intermingle from which union results a third manifestation or the initial stages of manifestation of that which contains elements of each polarity. This is an eternal dance as one becomes the other in successive moments of [time](#). A slip-sliding into, around and through each other, if you will....
