Q. 6- The sixth problem concerns interplanetary and intersystem dwelling between earthly lives. It was given through this source that the entity [Edgar Cayce](#), after the experience as Uhltd, went to the system of **Arcturus**, and then returned to earth. Does this indicate a usual or unusual step in [soul evolution](#)?

A. 6- As indicated, or as has been indicated in other sources besides this one as respecting this very problem, **Arcturus** is that which may be called the center of this universe, through which individuals pass and at which period there comes the choice of the individual as to whether it is to return to complete there - that is, in this [planetary system](#), our [sun](#), the earth sun and its planetary system, or to pass on to others. This was an unusual step, and yet a usual one. [[There is a river](#)]
