

Creative Impulse

"When on earth, to describe the **Reality** behind and with in existence, I deliberately coined the term the '**Father**' when referring to '**God**'. This was done for two reasons. Firstly, as I explained in [Letter 1](#), when I received **enlightenment** in the desert, I was enabled to see that the concepts describing the **Creator** of the universe as 'revealed' by the **Jewish** prophets were completely wrong. Secondly, I was given to perceive clearly - and fully understand - the true nature of the **Creator** and I realised that it was a nature of **parenting** - of fulfilling the **needs** of **creation** in clear-cut, specific ways which were synonymous with those of a **father-mother**. Indeed, I saw that the **parenting impulses** present in all living creatures had been drawn directly from the **Creator**, and that the origin of all **love** and **parenting drives** was also the **origin of life** and existence itself. I also 'saw' that **creation** was a **visible manifestation of the Universal Creative Impulses of Being, and therefore humankind could be termed the offspring of the creator**. For this reason, it was quite natural for me to speak of the '**Father**' when referring to the **Creator**, since, to me, this is what the **Creator** truly is in every way - more especially '**Father-Mother**' but having regard to the **Jewish** insistence on the **woman** occupying a subordinate position in their daily lives, I referred only to the '**Father**' to avoid **Jewish** resistance and to gain their acceptance of the new terminology. I also coined the term the '**Father**' to help the **Jews** realise that their concept of **Jehovah** and the rigidity of **Jewish laws** were totally erroneous. Also by using a new terminology - the '**Father**' - to describe the **Creator - the Creative Impulse** - behind and with in existence, I made it clear I had brought an altogether new teaching in opposition to the accepted **belief** in a '**God**' which rejected certain people and sent disasters upon them as **retribution**." "By working together as a team, separately but inseparable, in the **visible** world, these **twin impulses** were the means by which the **substance of 'matter' itself** has been created out of the sublime '**UNIVERSAL CONSCIOUSNESS**'.

One impulse of creativity is: the '**I'ness** of **ACTIVITY**. This **impulse of activity is universal and stems from only one source**. '**Activity**' is a **movement in CONSCIOUSNESS, and CONSCIOUSNESS in movement**. The other **creative impulse** possesses (figuratively speaking) **two faces** looking in opposite directions. They are:

BONDING - REJECTION Pull towards>>>>>>> the self<<<<<<< Push away otherwise known as **ATTRACTION - REPULSION Attract>>>>>>> to - THE SELF - from <<<<<<< Repel** within **CONSCIOUSNESS**.

These are the ONLY means by which earthly existence has been achieved.

The entire universe is a manifestation of the 'Creative Power' active within these Twin Impulses of PHYSICAL BEING - creating 'matter' and individual form. This is one of the fundamental 'secrets' of the universe.

I saw that the 'core' of the '**Personality**' or '**ego**' as it is now called, had been created '**GUARDIAN of PERSONALITY**' and was irresistibly imprinted with the **magnetic impulse** to ensure **PRIVACY and SURVIVAL**. For the **protection** of the **individual 'I'ness** This was accomplished by using the **two faces of the second Impulse of Being**

BONDING - REJECTION to secure **individuality**.
