

Divine Intelligence

Christ

"What is the difference between the [soul](#) and [psyche](#)? I am now going to explain the difference which your earthly psychologists may dispute, but nonetheless, this is the truth. The [Soul](#) is the '[Divine Flame](#)' - a metaphor used to describe the [essence of Divine Life](#) which is drawn into individual [being](#) at the moment of [conception](#). [LIFE FORCE](#) takes on personal form and releases the energy of '[electrical force of activity](#)' and the magnetic impulses of '[bonding - rejection](#)' to embark on the intricate work of construction of the body.

"Therefore, you have, at the core of your [being](#),

your [soul](#) - Divine Reality

this is **Divine Intelligence** / [Divine Love](#)

Which is the powerful [Divine Impulse](#) to create, grow, nourish, nurture, heal, protect, fulfill every need, within a system of perfect [law and order](#).

"This is the [Reality](#) which is your [soul](#).

"Therefore, when you have overcome the [ego](#) impulses and invited the [SOUL](#) to hold dominion in your [thoughts](#) and [feelings](#), you will be driven to express all of the [Divine Impulses](#) described above. You will be possessed by a [desire](#) to only promote the highest good of all living things and the universe itself. You will have become a true messenger from [Divine Consciousness](#), expressing all its qualities of [Being](#).

"Until that time of [soul re-unification](#) with [Divine Consciousness](#), the [psyche](#) occupies the deepest recesses of your [human consciousness](#) and draws its [awareness](#) from your [soul](#). It is the hidden [instinct](#) within you which knows right from wrong." [[Christ Returns - Speaks His Truth, Letter 7](#), page 166-167, (13)]
