

God Light of all-knowing and all-energy

"We must someday remodel our concepts to the realization that the **God Light of all-knowing and all-energy** is all there is in this [omnipresent universe of Mind](#)." [[Atomic Suicide](#), page 180]

"It is the **Idea of God's knowing** which is manifested by moving forms which image God's Idea. It is the [beauty](#), the [rhythm](#), the [balance](#) and ecstasy of [God's thinking](#) of His One Idea of the [giving and regiving](#) of His love to His Creation for manifesting His love in all creating things." [[Atomic Suicide](#), page 205-206]
