## Christ Returns - Speaks His Truth

"The Law of 'Cause and Effect', 'Reaping and Sowing' is the visible effect of what you call 'electromagnetism', and no one who has any knowledge of science would expect 'God' to set aside the laws of electromagnetism, which are those of 'activity-bonding-rejection'.

'Activity-Bonding-Rejection' or 'Movement-Attraction-Repulsion' are the fundamental **IMPULSES** of EXISTENCE and of HUMAN CONSCIOUSNESS itself, which have brought about your visible forms in life, and are the only 'instruments' or 'tools' of creation. They are responsible for the formation of substance or 'matter' and also for the development of individualised forms and finally of personality itself in all living entities." [Christ Returns - Speaks His Truth, Christ Letters - Letter 3, page 1]

"**Male and female** have also been individualised to experience and express **WILLPOWER**.

**WILLPOWER** in the **MALE** is experienced and expressed primarily as **Activity**. In primitive forms - he moves out into the environment to fulfill his **INTENTION**. Therefore, he dons the robes of the leader and quester. He was individualised to think and work to fulfill his purposes without the encumbrance of emotions.

**WILLPOWER** in the **FEMALE** is motivated and experienced primarily as **Feeling** - the **Need to Nurture** the **original INTENTION** and bring it, **PURPOSE** fully to full term - fruition - through the process of caring, feeding, clothing, repairing, teaching, protecting.

**PURPOSE** is entirely different to **INTENTION** since **purpose** comes down from the mental plane of **intention** and becomes an emotional drive, a desire to formulate 'a means to achieve the intended end'.

A '**powerful INTENTION to do something**' becomes a **PURPOSE behind continued existence**. In this way, **thought** and **feeling** are married to perform the **work** of **creation**.

The **male** is constantly roaming seeking new ideas, new ways to fulfill his **INTENTIONS** to give him **purpose** in life.

The **female's intentions** are '**purpose** personified', sensitive and stable, prepared to make sacrifices for the loved ones.

Therefore, the two basic **IMPULSES** within the **SOURCE of BEING - expressed in physical form as male and female** - are inter-dependent. One could not survive without the other. Both are needed for the **continuity** of **creation**.

Because of his **masculine** mobility, his leadership drive, the **male** has considered himself superior to the **female**.

This is because she remains stable, creating security for the **male**. **But the feminine drive is the drive of unconditional love, the drive worthy of the highest respect and consideration to enable her to flourish and perform her innate purpose within the household in peace of mind and joy.**

The **man's** role is to provide physical security and material means of subsistence for the family.

The **woman's** role is to provide emotional security and the emotional means of personal fulfilment and **joy** within the family environment." [Christ Returns - Speaks His Truth, Letter 4, page 18]

"The **equilibrium** - the **restraint** between opposing **IMPULSES** - 'to move about' and 'remain bonded' creates an **infinite spiral of self-contained energy**. The **SELF-CONTAINED ENERGY of MUTUAL RESTRAINT** is beyond the power of **individuality** to even imagine." [Christ Returns - Speaks His Truth, Letter 5, page 20]

"You now know that the **Father-Mother Creative Process and the tools of physical creation** are all in a state of **equilibrium** within the **Universal Dimension**, but now that **equilibrium** is to be exploded to bring about

## INDIVIDUAL FORM.

You know, too, that since the **Infinite Eternal IMPULSES** are contained in a state of **mutual restraint**, these **IMPULSES** are of an unimaginable **intensity** of energy - against which your **atomic energy** contained within the **splitting of an atom** is a mere '**pouff**', an infinitesimal twitch of no importance.

I want you to fully realise all the foregoing, since your realisation of what happened at the time of the **Big Bang** will give you a glimpse of what happened at the time of the sundering of **UNIVERSAL CONSCIOUSNESS** to

permit the creation of individual form to take place." [Christ Returns - Speaks His Truth, Letter 5, page 20]  
"'Father' and 'Mother' Consciousness energies are **IMPULSES** both **restrained** within the **UNIVERSAL DIMENSION** and when they have been released from **equilibrium** they powerfully perform the work of creation." [Christ Returns - Speaks His Truth, Letter 5, page 23]

"Therefore, the **IMPULSES** are the **REALITY** behind and within all **creation**." [Christ Returns - Speaks His Truth, Letter 5, page 24]

"**DIVINE CONSCIOUSNESS** is the re-union of the original **IMPULSES** within **UNIVERSAL CONSCIOUSNESS** which were released to become both the *activity* and the *substance* of **creation** at the moment of the **Big Bang**.

These **IMPULSES** were **explosively divided** and then came together in a state of **mutual restraint**. They were also destined to work forever in the created realm either separately, manifested as energies, or together restrained in **equilibrium**." [Christ Returns - Speaks His Truth, Letter 6, page 134]
