

ISLE OF WIGHT

The **Isle of Wight** (/waʔt/) is a ceremonial county and the largest and second-most populous island in England. It is in the English Channel, between two and five miles off the coast of Hampshire, separated by the Solent. The island has resorts that have been holiday destinations since Victorian times, and is known for its mild climate, coastal scenery, and verdant landscape of fields, downland and chines. The island is designated a UNESCO Biosphere Reserve. [Wikipedia, Isle of Wight](#) ↗

Hughes

If, as I believe, the [Natural Sciences](#) throughout [Creation](#) develop by [Trinities](#), how silently, yet how strikingly, may we trace the wonders of Redeeming [Love](#). "[Wisdom](#) hath builded her house; she hath hewn out her [seven pillars](#)."— Prov. ix. 1. We strikingly see in the development of [harmonies](#) the type of 2 Cor. iii. 18, as each [key](#) rises from [darkness](#) to [light](#), or, [descending](#), falls from [light](#) to [darkness](#).
