Russell

"One of the reasons you have not yet made that marvelous discovery is because *meditation* is still new to the human race and is slowly being discovered by men, one by one, as each one begins to hear that '**Inner Voice** of the *spirit*', which is forever calling within the *Souls* of all men. When you are too busy with material things to have time to listen to that Voice you become chained to emotions of your *body* and to the demands of material things. You are enslaved by them. The moment you begin to listen to your **Inner Voice**, that moment, you become freed from slavery to *body*. The high *heavens* of *God's* omnipotent and omniscient universe then becomes your dwelling place. [[Russell, Home Study Course](#)]

Cayce

"Turn within; see what has prompted you. And there WILL it be TOLD from within you the steps you should take day by day, step by step." [[Cayce ECRL 922-1](#)]
