

Law of Assimilation - Examples

Intermittent or Alternating [Preponderance](#) between each [state](#) or [phase](#) is a [point of rest](#), [balance](#) or [neutral](#).

Dynamic	Syntropy	Entropy
Alternating Current	Negative	Positive
AC Generators	Negative	Positive
Seesaw	Up	Down
Equilibria	Bonding	Ionization
Sound	Positive Phase	Negative Phase
Vibration	Positive Phase	Negative Phase
Day Cycle	Day	Night
Breathing	Inhalation	Exhalation
Heart Beat	Systole Contraction	Diastole Relaxation
