

Lucifer

Dawn Stranges

"*Light* is often considered to be an emotional and *spiritual* messenger. Also be aware that there is another side to *Light*. The *Angel* that fell took with him something of value; the promise and appearance of *Light* - but not *Light*. His name, **Lucifer**, means "Carrier of Light". [Dawn Stranges, 07/27/2011]

Manly Palmer Hall

"Certain Rosicrucian scholars have given special appellations to these three phases of the sun: the spiritual sun they called *Vulcan*; the soular and intellectual sun, *Christ* and **Lucifer** respectively; and the material sun, the Jewish Demiurgus *Jehovah*. **Lucifer** here represents the *intellectual* mind without the illumination of the spiritual mind; therefore it is "the false light." The false light is finally overcome and redeemed by the true light of the soul, called the *Second Logos* or "*Christ*". The secret processes by which the **Luciferian intellectual** is transmuted into the Christly *intellectual* constitute one of the great secrets of *alchemy*, and are symbolized by the process of transmuting base metals into gold." [Manly Palmer Hall, The Secret Teachings of All Ages]

Well written article on **Lucifer**: <https://blavatskytheosophy.com/lucifer-the-lightbringer/> 

Another well written article:

From Masonic books

"Yes, LUCIFER IS GOD, and unfortunately Adonay is also god...

Thus, the doctrine of Satanism is a heresy; and the true and pure philosophical religion is the BELIEF IN LUCIFER, THE EQUAL OF ADONAY but Lucifer, God of Light and God of GOOD, is struggling for humanity against Adonay, the GOD OF DARKNESS AND EVIL." [de Larive, A.C., La Femme et l'enfant dans la Franc, Maconnerei Universelle, Paris, 1889, p. 588]

So Masonry jealously conceals its secrets, and intentionally leads conceited interpreters astray. [Morals and Dogma Pages 104-105]

All truly dogmatic religions have issued from the Kabalah and return to it: everything scientific and grand in the religious dreams of all the Illuminati... is borrowed from the Kabalah; all the Masonic associations owe to it their Secrets and their Symbols. [Morals and Dogma, pg 744, Albert Pike]

Every Masonic Lodge is a Temple of religion; and its teachings are instructions in religion [Morals and Dogma, pg 213]

It (Freemasonry) reverences all the great reformers. It sees Moses, the Lawgiver of the Jews, in Confucius and Zorastor, in Jesus of Nazareth, and in the Arabian Iconoclast, Great teachers of Morality, and Eminent reformers, if no more... [Morals and Dogma, pg 525]

"LUCIFER, the Light-Bearer! Strange and mysterious name given to the Spirit of Darkness! Lucifer, the Son of the Morning! Is it he who bears the light ... doubt it not!" [Morals and Dogma pg 321]
