the present, and the future, developing in [geometric progression](#); as the past retires, the future advances. The [rests](#) in [harmony](#) correspond with [silence](#) in the [Scriptures](#), both limiting and illimitable. But there is this essential difference: [musical instruments](#) can only be tuned to a certain [pitch](#), whereas the [Bible](#) will never need fresh editions or corrections, but as it always has unfolded, it always will unfold, as it is necessary to meet our higher **mental powers**. I believe that, eventually, scientific minds will arrive at the conclusion that all the [energies](#) around us arise from the [laws](#) which regulate the [life](#) of [matter](#), and cause the continual [development of trinities](#) from [unities](#). [Continuity](#) everywhere adapts simple [laws](#) to wondrous workings. If we evade the [belief](#) in the [development of trinities](#), this scheme falls to the ground. We can conceive no grander idea of the [power](#), [wisdom](#), and [love](#) of the [Parent](#) of the universe than that of His following out His own characteristics, knowing that at any moment, if His life-giving power were withdrawn, all would crumble into dust. Let us link with this [thought](#) these glorious promises— [[Harmonies of Tones and Colours](#), [Scripture Compared with Scripture](#), page 47]

Christ Returns - Speaks His Truth

"I realized that this '**Creative Power**' I was experiencing was [infinite](#), eternal, universal, filling all [space](#) beyond sky, oceans, earth, and all living things. I saw IT was MIND POWER. IT was the **CREATIVE POWER of MIND**.

There was no point where this '**DIVINE CREATIVE POWER OF MIND**' was not.

I realized that [human mind](#) was drawn from **DIVINE CREATIVE MIND** but was only a candle lit by the sun." [[Christ Returns - Speaks His Truth](#), Letter 1, page 11]

"I was shown the following vivid [vision](#).

First of all, I saw a new-born babe as 'light', a life-form of 'Creative Power'.

As the baby grew into childhood, then manhood, I saw the pure [LIGHT](#) of the '[Creative Power](#)' gradually dimmed and then obscured altogether in him, by a dense wrapping of [chains and thongs](#).

I questioned the meaning of the [vision](#) and there came to my mind a clear understanding which may be expressed in the following words:

'From [birth to death](#) - people believe and insist that their [five senses](#) of [sight](#), [hearing](#), [touch](#), [smell](#) and [taste](#), correctly predicate the '[reality](#)' of themselves and the universe around them.

Therefore, because they draw their mind power direct from Divine '[Creative Power](#)', it is done to them according to [their beliefs](#). [[Christ Returns - Speaks His Truth](#), Letter 1, page 17]

'It is a tiny entity of '[consciousness knowledge](#)'. It is the '[consciousness knowledge](#)' of what it will become. It is a fragment of '[consciousness](#)' drawn from '[Divine Creative Consciousness](#)'.

'It is a fragment of mind power drawn from '[Father Mind Power](#)' ... which, when planted in the earth and watered by rain, will begin to clothe itself with the [visible](#) '[matter](#)' of which it possesses [knowledge](#), deep within itself. This [knowledge](#) is true, it is firm, it is strong and undeviating. This [self-knowledge](#) embodied in the [seed](#), is a [conviction in](#) '[consciousness](#)'.

'All of life forms arise out of this one-pointed [self-knowledge](#) - a '[conviction of consciousness](#)'. This '[conviction of consciousness](#)' is what separates the inanimate soil and rocks from all that lives and grows upon the face of the earth. Where there is no '[conviction of consciousness](#)' or '[knowledge of identity](#)' there is no growth. The [consciousness](#) within soil and rocks remains '[consciousness](#)' in a dormant form.'
