"When our learned men are forced to admit that **"all motion is thought"**, that "all nature is the [language of One](#) in whom we live, and are moved, and have our being", the attempts to evolve [life](#) out of chemical elements will cease; the Mosaic records will no longer be denied, which tell us that the Creator's law for living organisms is that each plant [seeds](#), and each animal bears, after his kind; not that each [seeds](#) and bears after another kind. The doctrine of [evolution](#), as made known to us in [Geology](#), is a fundamental truth; proving that "there has been a plan, glorious in its scheme, perfect in system, progressing through unmeasured ages, and looking ever toward man and a [spiritual](#) end"."
