

# Outreach

Extension of the [negative attractive](#) terrestrial field/force for the positive celestial radiating field/force. The extension of the receptive. See [Cohesion](#), [Law of Force](#)

---

## Keely

"*Sympathetic Negative Attraction* is the same as *cohesion*. It is not the resultant of electrical *sympathization*, but it includes the full *triune flow*, the *Dominant* being the leader and associate of the *celestial*. The **sympathetic outreach** of *negative attraction* is the power that holds the planetary masses in their orbital ranges of oscillatory action. *Magnetism* has no **Outreach**, but it pervades all *terrestrial* masses, all planetary masses. It is highly electrical in its character, in fact, *magnetism* is born of *Electricity*, whereas *negative attraction* is not, but it has a **sympathetic outreach** for *magnetism*. *Magnetism* is *static*. *Sympathetic Negative Attraction* reaches from planet to planet, but *Electricity* does not, nor does *magnetism*. *Sympathetic Negative Attraction* is born of the *celestial*, and impregnates every *mass* that floats in *space*, seeking out all magnetic or electric conditions, and all these masses are subservient to **celestial outreach**. All the magnets in the world could not induce *rotation*, no matter how differentiated, but *polar negative attraction* induces *rotation*." Keely, [Snell Manuscript]

"The *luminous, etheric, protoplastic element*, which is the highest *condition* of the *ether*, fills the regions of infinite *space*, and in its radiating **outreach** gives *birth* to the *prime neutral centers* that carry the planetary worlds through their ranges of *motion*." [Keely, Keely and His Discoveries pg 270]

""Maxwell's theory is correct that the *plane* of *polarized light* is the *plane* of *magnetic force*. The *sympathetic vibrations* associated with *polarized light* constitute the pure *coincident* of the *plane* of *magnetism*. Therefore, they both tend to the same path, for both are *interatomic*, assimilating sympathetically in a given time, to continue the race together, although one precedes the other at the time of experimental *evolution*. The time is approaching when *electromagnetic waves* with an **outreach** of two feet will be produced, having an *energy* equal to that now shown up on the *magnet* when it is about to kiss its *keeper*, and showing a *radiating force* too stupendous for actual measurement." ELECTROMAGNETIC RADIATION - Snell

"In this manner we have "*sympathetic negative attraction*", and "*sympathetic positive propulsion*", with reference to the **"Outreach"** of the *third* or *dominant current* of the *stream*, which is allied to the *order* of *etheric vibrations*." [Laws of Being, Laws of Being - Annotated, The Nature and Dynamics of Vibration and Toroids]

## Christ Returns - Speaks His Truth

"**And when I say: 'making true contact with It', I mean that the *prayer of supplication* for this benefit or that is not making true contact with your SOURCE OF BEING.**

Your *prayer* is certainly received into the *Source of Being*, and an answer is frequently received swiftly and the need is fulfilled, even as you have asked. But true contact with the **Source of your Being**, is only experienced when you have sufficiently cleansed your *consciousness* of the gross human *ego-drive* and have spent some time in *meditation* and a regular emotionally powerful '**reaching out**' in *consciousness* to your *Source* seeking contact and renewal and refreshment of *spirit*.

This is the true *purpose* behind existence. A constant and mutual *reciprocation* of communication between the **Source of all Being** and creation." [Christ Returns - Speaks His Truth, Letter 5, page 5]
