

Parallelism

THE LAW OF DUALITY

"All things are twofold, one over against another,
And He hath made nothing to stand alone."

[Duality](#) - that is, [two-ness](#) - is a general feature of [Creation](#). It is the [law of sex](#) all through the animal and vegetable worlds. It is beautifully expressed in the response of **Parallelism** in poetry, especially the Eastern poetry so fully illustrated in the Holy Scriptures: [[Scientific Basis and Build of Music, page 41](#)]
