

Psyche

noun: the immaterial part of a person; the actuating [cause](#) of an individual [life](#)

noun: that which is responsible for one's [thoughts](#) and [feelings](#); the seat of the faculty of [reason](#)

Schauberger

"If the [blood](#)-vessels of a snail are examined, two differently-coloured systems of [blood](#)-vessels are evident. The [blood](#) flowing in the outer system of vessels is lighter and in the inner system, darker. The composition of the [blood](#) in the outer system is distinguished by a greater [oxygen](#) content and is substantially different from that of the inner system, which exhibits a higher content of [carbones](#). Investigations further demonstrate that [suspended matter](#) is concentrated in the middle of the capillary cross-section, whereas [dissolved matter](#) congregates more towards the [periphery](#). In addition, if the [blood](#)-flow is deemed to be moving along a [straight line](#) then the [velocity](#) of forward [motion](#) is less at the [periphery](#) than at the centre. In this regard, however, note that this difference in speed is only illusory. The forward [motion](#) of the inner particles of fluid only appears to be faster than the outer [blood](#) particles. This is because the latter must describe a path roughly corresponding to a [double-helical motion](#) - a [spiral motion](#) within a [spiral](#) - whereas in the main the inner [blood](#) particles appear to perform a simple [spiral motion](#).

The second component of the [double-spiral](#) movement described by the [blood](#) corpuscles of the inner system cannot be observed, because the line of the second [spiral](#) is an energy path imperceptible to the eye. This has a much higher meaning, for we are here concerned with processes of qualitative [psychic](#) enhancement, the raising of the **psyche** to a higher energetic and immaterial level. This not only influences the character of the [blood](#), but in the course of further development also affects the character or **psyche** of the respective organism." Christ Returns - Speaks His Truth

"**Each thong** represents a person's habitual thoughts, responses to people and events, prejudices, hates, animosities, anxieties, sorrows, all of which bind him down and shut out the [Light](#) from his [inner vision](#) drawn from the '[Creative Power](#)'. Thus he enters into [darkness](#) but does not know it. He believes he is growing up and becoming [mature](#) in the ways of the world which will enable him to forge ahead and make 'good' - become successful - the aim of most people on earth.

In fact, the more [mature](#) he becomes and versed in worldly ways, the more densely do his [chains and thongs](#) imprison him within the grip of the [twin IMPULSES](#) of '[Bonding-Rejection](#)'.

Furthermore, each [chain](#) is forged out of [selfish](#) and deceitful [desires](#), [greed](#), [aggression](#), [violence](#) and [rape](#). These [chains](#) hang heavy around him and burden the **psyche**, which is the '[creative consciousness power](#)' deep within him. [Chain and thong](#) will bind him tighter with every passing year until he realizes what he is doing to himself and sincerely repents each [thong and chain](#) and makes due [restitution](#) to others whom he has harmed." [[Christ Returns - Speaks His Truth](#), Letter 1, page 17]

"To fully understand the **nature of creation**: the reasons why the [ego](#) functions as it does, why created entities feel the urges they feel, it must be understood that the **NATURE** and **QUALITY** of **UNIVERSAL CONSCIOUSNESS** is **RADIANT JOY - FULFILLMENT - HAPPINESS**.

THIS IS WHAT I TERMED THE 'KINGDOM OF HEAVEN WITHIN YOU' - WITHIN YOUR SOUL - WITHIN THE DEEPEST RECESSES OF YOUR PSYCHE, which is the intermediary between the radiance of your [soul](#) and the shadow [self](#) of [ego](#).

To return to this transcendent state of glorious, beautiful, happy, harmonious being is your soul's deepest longing!

It is this enduring longing, this inborn [unconscious](#) recollection of [equilibrium](#) and [peace](#), [joy](#) and [harmony](#), which, through the [psyche](#), prompts the **EGO** to manipulate the environment on your

behalf. Its consistent **purpose** is to bring you back to your primal original state of glorious **ecstasy** out of which you drew your **soul**, being and form.

But the **ego** can bring about your desired **joy** and pleasure, only by means of the two magnetic/emotional 'Bonding-Rejection' impulses - which are only materialised **impulses** to give you your **individuality**." [Christ Returns - Speaks His Truth, Letter 6, page 9]

"For you to fully understand what I am talking about, I want you to strive to VISUALISE & REALISE that the Nature of Divine Consciousness of Universal Equilibrium is limitless Power, since the equilibrium-harmony arises out of equal constraint between the universal impulses of the:

the **male** and **female**,

intelligence and **love**,

the **will** to experience and the **will** to remain acquiescent,

the **yearning** to be **active** and the **yearning** to hold back and maintain the status quo,

in order to form bonds and **stability**.

"These primal **IMPULSES of Being**, as I explained in **Letter 4**, are the 'Reality' which has given **life**, form, shape, **being** to all **visible** things.

"This dimension is a state of beauty, joy, harmony, rapturous ecstasy, reverence, intelligence, love. It is all that the earth can demonstrate - but on a scale beyond your even remotest conception.

"Try to take into your **consciousness** the **meaning** of the two foregoing paragraphs. Understanding and making the meaning your very own, will change your whole perspective of your Divine origins and of existence itself. In these paragraphs directly above, I have described to you - **the nature and essence of LIFE** - which comes into **action** within the **sperm** and **ovum** when they are united in giving form to a child.

"This is your truth, your reality, your soul, psyche, your deepest state of being.

"Instinctively you are aware of this. The baby is the embodiment of joy. The joy it expresses as it develops consciousness of its relationships and environment, comes out of the deep well of Divine LIFE Which has grown it cell by cell, according to genetic instructions, into its present form.

"What is the difference between the **soul** and **psyche**? I am now going to explain the difference which your earthly psychologists may dispute, but nonetheless, this is the truth. The **Soul** is the 'Divine Flame' - a metaphor used to describe the **essence of Divine Life** which is drawn into individual being at the moment of **conception**. **LIFE FORCE** takes on personal form and releases the energy of 'electrical force of activity' and the magnetic impulses of 'bonding - rejection' to embark on the intricate work of construction of the body.

"Therefore, you have, at the core of your **being**,

your soul - Divine Reality

this is **Divine Intelligence / Divine Love** Which is the powerful **Divine Impulse** to create, grow, **nourish, nurture, heal, protect, fulfill every need, within a system of perfect law and order.**

"This is the **Reality** which is your **soul**.

"Therefore, when you have overcome the ego impulses and invited the SOUL to hold dominion in your thoughts and feelings, you will be driven to express all of the Divine Impulses described above. You will be possessed by a desire to only promote the highest good of all living things and the universe itself. You will have become a true messenger from Divine Consciousness, expressing all its qualities of Being.

"Until that time of **soul re-unification** with **Divine Consciousness**, the **psyche** occupies the deepest recesses of your **human consciousness** and draws its **awareness** from your **soul**. It is the hidden **instinct** within you which knows right from wrong." [Christ Returns - Speaks His Truth, Letter 7, page 166-167, (12-13)]
