**Everything in the universe vibrates and oscillates perpetually. In fact, everything is nothing other than these vibrations and oscillations in different combinations. We study the physics of these vibrations and oscillations to better understand how we and the universe works.**

- There is a **New Era of Consciousness** and **abundant, cheap and clean energy** dawning on humanity and **SVP** is in the forefront.
- **SVP** is a holistic **science, spirituality** and philosophy that nurtures, aides and assists humanity while conventional **science** tends to wreak social havoc, environmental pollution, war and mindless control.
- How the material and energetic universe is an effect of **Undifferentiated Mind** or **Consciousness**.
- **Mind Force** is a pre-existing **Natural Force** and is engineerable.
