

Seeing

Russell

"**Seeing** is electric sensing. The senses are motion. Motion can sense only motion. They cannot sense the stillness of eternal balance. They can but sense the motion of divided balance." [Atomic Suicide, page 192]

Christ Returns - Speaks His Truth

"I was shown the following vivid vision.

First of all, I saw a new-born babe as 'light', a life-form of 'Creative Power'.

As the baby grew into childhood, then manhood, I saw the pure LIGHT of the 'Creative Power' gradually dimmed and then obscured altogether in him, by a dense wrapping of chains and thongs.

I questioned the meaning of the vision and there came to my mind a clear understanding which may be expressed in the following words:

'From birth to death - people believe and insist that their five senses of sight, hearing, touch, smell and taste, correctly predicate the 'reality' of themselves and the universe around them.

Therefore, because they draw their mind power direct from Divine 'Creative Power', it is done to them according to their beliefs. [Christ Returns - Speaks His Truth, Letter 1, page 17]
