

# Subconscious

## Cayce

"To the **subconscious**, there is no past or future - all present. This would be well to remember in much of the information as may be given through such forces as these." [Cayce 136-54]

*"The **subconscious mind** is both **consciousness** and **Thought** or **spirit** - **consciousness**. Hence may be best classified, in the physical **sense**, as a **habit**."* [Cayce (266-10)]

*"In the **consciousness** of earthly or material forces there enters all the attributes of the physical, fleshy body. In the **subconscious** there enters the attributes of **Soul** forces, and of the **conscious** forces. In the **superconscious** there enters the **subconscious** forces, and **spiritual** discernment and development."* [Cayce (900-16)]

"The study from the human standpoint, of **subconscious**, subliminal, **psychic** soul forces, is and should be the great study for the human family - for through **self** man will understand its **Maker**, when it understands its relation to its **Maker**. And it will only understand that through itself. And that understanding is the **knowledge** as is given here in this **state**." [Cayce 3744-4)]

## Bob Proctor

"The **law of gender** decrees there is a **gestation** or **incubation** period for the **manifestation** of all **seeds**, and, make no mistake about it, the image of wealth you chose to build on the screen of your **conscious mind** and then turned over to your **subconscious mind** is a **seed**; and it is growing into physical form, in the most fertile field of which you could ever conceive." [Bob Proctor, *You Were Born Rich*, page 98]

## Napoleon Hill

"Any dominating **idea**, plan or purpose held in the conscious mind through repetition of **thought** and emotionalized by a burning **desire** for its realization is taken over by the **subconscious** and acting upon through whatever natural and logical means may be available." [Napoleon Hill]

## Neville Goddard

"Chance or accident is not responsible for the things that happen to you, nor is predestined fate the author of your fortune or misfortune. Your **subconscious** impressions determine the conditions of your world. The **subconscious** is not selective; it is impersonal and no respecter of persons. The **subconscious** is not concerned with the **truth** or falsity of your **feeling**. It always accepts as true that which you feel to be true. **Feeling** is the assent of the **subconscious** to the **truth** of that which is declared to be true. Because of this quality of the **subconscious** there is nothing impossible to man. Whatever the **mind** of man can conceive and feel as true, the **subconscious** can and must objectify. Your feelings create the pattern from which your world is fashioned, and a change of **feeling** is a change of pattern." [Neville Goddard, *Resurrection*]
