

# W C Wright

Writer and lecturer on his theories that [gravity](#) is a push and not a pull. Mr. **Wright** created several lecture tapes on his theories and published many bulletins or articles. [PSI](#) has some of those publications and as they are scanned they will be posted here.

## YouTube video channel

<http://www.youtube.com/playlist?list=PLm4HarLq5a6LiPn7WSsjsdl-14Tm9f-5->

Thanks to Robert Otey for digitizing the old videos we had stored around here for more than twenty years.

## Books

"Gravity is a Push", 1976.

## Newsletters

These newsletters are in no particular order except as we have scanned them. They are downloadable in pdf format.
