

# amplify

## Schauberger

The [interaction](#) - or the [inner motion](#), is only possible by way of the seemingly 'dormant' [resistance](#) to [motion](#), whose [resisting force](#) also [intensifies](#) in [proportion](#) to the [increase](#) in the [speed](#) of the [interaction](#). Were this otherwise, then the greatly **amplified** [product](#) of this [interaction](#) could not be [concentrated](#) in this [atomic prison](#) ([lattice](#)) - (viz. the [increasingly](#) consolidated [resistance](#) to [motion](#) associated with [physical acceleration](#), without which the latter could not happen.) [[The Energy Evolution - Harnessing Free Energy from Nature, Magnetism is the Function of Levitism and Electricism is the Function of Gravitism](#)]
