

# consciousness impulse

"Your own strong '**consciousness impulses**' are [life impulses](#).

They are highly creative [electro-magnetic impulses](#)!

When they are of a virulent - violent - aggressive - murderous nature - they emit [electrical particles](#) of virulent, violent, aggressive, murderous [CONSCIOUSNESS](#) which take form as virulent [viruses](#) in the air, spreading from one innocent person to another.

What is born and nurtured in the [diseased mind](#) eventually takes on form in the physical world." [[Christ Returns - Speaks His Truth, Letter 1](#), page 4]

"[Laughter](#) is a **consciousness impulse** which ripples across your skies, from one planet to another, through your [Milky Way](#) and out into the furthest reaches of [infinity](#). As infinite as [Divine Consciousness](#), it came into existence at the moment of the [Big Bang](#)." [[Christ Returns - Speaks His Truth, Letter 9](#), page 14]
