No words suffice to castigate what nature-alienated [individuals](#) have perpetrated on their unsuspecting fellow human beings through [ignorance](#) or their [desire](#) to [rule](#). There is only one thing to do: To point out the developments that we are experiencing today, namely the [biological consequences](#) of the [disruption](#) of Nature's [water-balance](#) through totally [unnatural work](#) practices. As a result, all those things, which that something that accompanies us faithfully and unselfishly from the **cradle** to the [grave](#), requires for its coming into [being](#) and its [original movement](#), will now have to travel the road to [ruin](#). The [river-bend](#) or [curve](#) is the **cradle** of [water](#). Due to the [water's](#) [swaying](#) and [swirling motion](#), [processes](#) of [atomic transformation](#) take place within the [inner structure](#) of the [water](#), which have escaped the notice of the world of [experts](#).
