

development of trinities

Hughes

the present, and the future, developing in [geometric progression](#); as the past retires, the future advances. The [rests](#) in [harmony](#) correspond with [silence](#) in the [Scriptures](#), both limiting and illimitable. But there is this essential difference: [musical instruments](#) can only be tuned to a certain [pitch](#), whereas the [Bible](#) will never need fresh editions or corrections, but as it always has unfolded, it always will unfold, as it is necessary to meet our higher [mental powers](#). I believe that, eventually, scientific minds will arrive at the conclusion that all the [energies](#) around us arise from the [laws](#) which regulate the [life](#) of [matter](#), and cause the continual **development of trinities** from [unities](#). [Continuity](#) everywhere adapts simple [laws](#) to wondrous workings. If we evade the [belief](#) in the **development of trinities**, this scheme falls to the ground. We can conceive no grander idea of the [power](#), [wisdom](#), and [love](#) of the [Parent](#) of the universe than that of His following out His own characteristics, knowing that at any moment, if His life-giving power were withdrawn, all would crumble into dust. Let us link with this [thought](#) these glorious promises— [[Harmonies of Tones and Colours](#), [Scripture Compared with Scripture](#), page 47]
