

# duality in unity

## Ramsay

round a [common center](#) which is lying between them, as the [double stars](#) do in the [astral heavens](#). When this plate is reversed we have before us exactly the [minor scale](#), and all the parts and [attitudes](#) related in exactly the [inverse](#) way, each to each, so perfect is the **duality in unity** of the two [modes](#). [[Scientific Basis and Build of Music, page 114](#)]
