

electrically reborn

"The fact that you can hear the [sound](#) is because it is **electrically reborn** by being re-compressed into the [density](#) of your [body](#). Your [electrically compressed body](#) is a [receiving station](#) for [reborn](#)ing the dying [sound](#), just as a cliffside is a [receiving station](#) for [reborn](#)ing the [sound](#) as an [echo](#). An [electronic tube](#), and a cliffside, are alike in this respect." [[Atomic Suicide](#), page 151]
