

esoteric philosophy

[H.P. Blavatsky](#)

"**Esoteric philosophy** reconciles all religions, strips every one of its outward, human garments, and shows the root of each to be identical with that of every other great religion." [[H.P. Blavatsky](#), Secret Doctrine, Vol I. intro]

[Manly Palmer Hall](#)

"Spiritual mysteries cannot be brought down to the level of the uninformed. The esoteric sciences cannot be simplified, they are already simple to the wise." [[Manly Palmer Hall](#)]
