## Keely

"In such fields of [research](#), Mr. [Keely](#) finds little leisure. Those who accuse him of "dilly-dallying," of idleness, of "always going to do and never doing," of "visionary plans," etc., etc., know nothing of the infinite [patience](#), the persistent [energy](#) which for a quarter of a [century](#) has upheld him in his [struggle](#) to attain this end. Still less, if possible, is he understood by those who think he is seeking [self-aggrandizement](#), [fame](#), [fortune](#), or [glory](#).

The time is approaching when all who have sought to [defame](#) this [discoverer](#) and [inventor](#), all who have stabbed him with unmerited [accusations](#), all who have denounced him as "a bogus [inventor](#)," "a [fraud](#)," "an [impostor](#)," "a [charlatan](#)," "a modern [Cagliostro](#)," will be forced to acknowledge that he has done a giant's [work](#) for true [science](#), even though he should not live to attain [commercial success](#). But **history** will not forget that, in the [nineteenth century](#), the story of [Prometheus](#) has been repeated, and that the greatest [mind](#) of the age, seeking to scale the [heavens](#) to bring down the [light](#) of [truth](#) for mankind, met with [Prometheus's](#) reward." [[Keely - Cure of Disease](#)]
