## Christ Returns - Speaks His Truth

"I was also shown the LAWS OF EXISTENCE controlling the human ability to create new circumstances and environment, relationships, achievement or failure, prosperity or poverty.

- Whatever man profoundly BELIEVES himself to be, good or bad, that will he become.
- Whatever man FEARS others will do to him, so will they do.
- Whatever man HOPES that others will do to him, he must first do to them, since he is then creating a 'consciousness pattern' which will return to bless him to the extent he has blessed others.
- Whatever disease man DREADS so will he become prey to it for he will have created a 'consciousness pattern' of the very thing he least wants to experience.
- Whatever is sent forth from man's mind and heart - returns to him in due course in some form or another, but remember that like always breeds like. Strongly emotional thoughts are 'consciousness seeds' planted within a man's own orbit of consciousness. These will grow, bearing a like harvest for his reaping.

**These are the fruits of free will.**

**There is no way that man may escape what he thinks, says or does - for he is born of the Divine Creative Consciousness power and is likewise creative in his imagining.**

Those who long for good for themselves must first give it to others. Let their very existence be a blessing to others.

**When such people are in harmony with all others, they are then perfectly attuned to the universal creative consciousness power**

and they are brought into the flow of the Father 'nature' which is growth, protection, nourishment (physical, mental, spiritual) healing, fulfillment of need, within a system of law and order." [Christ Returns - Speaks His Truth, Letter 1, page 18]

**9. The inherent characteristic of the Loving Intelligent Creative Power was LAW AND ORDER.**

The undeviating order and reliability apparent in creation, even governing the tiny entities ('cells') within the body, were astonishing and far transcended any human endeavor. Therefore, the entire universe was operating under a system of perfect **LAW & ORDER**.

I realized on ever higher and higher levels of spiritual exaltation that the 'creative power' exhibited intelligent purposefulness and loving concern for all living things. I realized that life was not something nebulous or amorphous but an intelligent loving creative power which I could actually feel within myself as a tremendously heightened state of being, perception, radiance, ecstasy, joy, love. I knew myself to be one with it - filled with it - and I was one with everything around me and one with the sky and stars.

And - most wonderful and glorious of all - the very 'Nature' and 'Function' of this 'Father - Creative Power' was to work in order to create joy, beauty, and comfort to ensure mankind's well-being, to work within mankind to provide interior joy, health and comfort, and to work through mankind, inspiring him with new realization and understanding.

Wonderful vistas of glorious creativity came to mind. Once we became truly 'at one', purified channels and instruments of the 'Intelligent Creative Power', we could gradually ascend in consciousness until we truly expressed through our minds and hearts the very 'NATURE' of the 'Universal Creative Power'.

Then 'life on earth' would indeed become a 'state of heaven' at all times and we would enter into a state of eternal life! [Christ Returns - Speaks His Truth, Letter 1, page 15]

"What is the difference between the soul and psyche? I am now going to explain the difference which your earthly psychologists may dispute, but nonetheless, this is the truth. The Soul is the 'Divine Flame' - a metaphor used to describe the essence of Divine Life which is drawn into individual being at the moment of conception. LIFE FORCE takes on personal form and releases the energy of 'electrical force of activity' and the magnetic impulses of 'bonding - rejection' to embark on the intricate work of construction of the body.

"Therefore, you have, at the core of your being,

**your soul - Divine Reality**

this is **Divine Intelligence / Divine Love**

**Which is the powerful Divine Impulse to create, grow, nourish, nurture, heal, protect, fulfill every need, within a system of perfect law and order.**

"This is the **Reality** which is your **soul**.

**"Therefore, when you have overcome the ego impulses and invited the SOUL to hold dominion in your thoughts and feelings, you will be driven to express all of the Divine Impulses described above. You will be possessed by a desire to only promote the highest good of all living things and the universe itself. You will have become a true messenger from Divine Consciousness, expressing all its qualities of Being.**

"Until that time of **soul re-unification** with **Divine Consciousness**, the **psyche** occupies the deepest recesses of your **human consciousness** and draws its **awareness** from your **soul**. It is the hidden **instinct** within you which knows right from wrong." [Christ Returns - Speaks His Truth, Letter 7, page 166-167, (13)]
