

monogram

noun: a graphic symbol consisting of 2 or more letters combined (usually your initials); printed on stationery or embroidered on clothing

Hughes

"Thou art Thyself the [secret](#) of Thy works;
Thou art the key: Thine image bear they all,
Or more or less. And heaven-born [music](#), as
Thine [ordinance](#) in [air](#) and [ear](#), and in
The [balance](#) of the [force elastic](#), with
The [gravitating force](#) that holdeth all,—
[Music](#) the [statute](#) is, which more than most,
Of all that stands on [Nature's](#) statute-book,
Image and superscription—[Three in one](#)—
In interlacing **monogram** doth show of Thee!"
