

motivating force

Russell

"There is a [universal process in Creation](#) and a **motivating force** for the energy which creates it. That same process applies as equally to the creation of "[life](#)," and its disappearance in "[death](#)," in your body as it does to the whole universe." [[Atomic Suicide](#), page 5-6]

"[Desire](#) of [Mind](#) is the **motivating force** which energizes all [Creation](#) through the [universal heartbeat](#) of concentrative-decentrative [thought pulsations](#). Likewise, YOU cannot create bodies without the [desire](#) to do so. YOUR [desire](#) is YOUR **motivating force**. The physical term for spiritual Mind-desire is [GRAVITY](#). " [[Home Study Course](#), Unit 8, Lesson 31, page 604]

"*Desire is the **motivating force** of all [Creation](#).*" [[Russell](#), [The Secret of Light](#), page 65]

"The [uncreated universe is Light undivided](#) - The created universe is [Light](#) divided into [mated pairs](#). [Gravity](#) is the [Life Principle](#), the [Sex Principle](#), and [Power Principle](#) which **motivates** the [Universal Heart beat](#)." (Walter Russell, courtesy [University of Science and Philosophy](#) [↗](#))

Schauberger

What [triggers](#) this [reaction](#) is the well-known [dynamics](#) of the [sexual urge](#), which [re-establishes equilibrium](#) between intolerable [differences](#) in [tension](#) and [potential](#). Because these [differences](#) are always present, this original [form](#) of [movement](#) will constantly be provoked by a **motivating force** that never [wan](#)es. As a [form](#) of [motion](#), we are here primarily concerned with the [motion](#) that the [Earth](#) has demonstrated to us since the beginning of time. Referred to as '[cycloid-space-curve-motion](#)', it is synonymous with what the naturalistic doctor calls the '[life-creating life-spiral](#)', and the [biotechnologist](#) calls '[double screw-form wave motion](#)'. [[The Energy Evolution - Harnessing Free Energy from Nature, The Economy Founded on Reactively Produced Energy](#)]

Cayce

"Not in the storm, the lightning, nor in any of the loud noises as are made to attract man, but rather in the [still small voice](#) from within does the **impelling influence** come to [life](#)." [[Cayce](#) 239-1]

"[Thought](#) is the builder, but [spirit](#) is the **motivating force**. What [spirit](#) do you entertain? If it be of [God](#), it cannot fail." [[Cayce](#) 3351-1]
