

# mutually constrained

## **Christ Returns - Speaks His Truth**

"After the **Big Bang**, the **Father-Mother Creative Process** was divided into **two different energies**, continually working apart and together, independent yet **mutually constrained** to work together having individual characteristics or '**natures**' - and different **functions**. Therefore, their work load was/is different yet **indivisible**."  
[Christ Returns - Speaks His Truth, Letter 5, page 23]
