## Jesus

The only [Truth](#) is [Love](#). It has many faces, and sometimes it is confusing when one attempts to discern [Love](#) and its expressions in one's [life](#). Such confusion can be dispelled through the power of the [Good Heart](#). Your [Heart](#) is naturally good. The [energy](#) which surrounds you, swirling in response to your outlook, [emotions](#), [actions](#), [thoughts](#), [dreams](#) and [illusions](#), filters the [Love](#) that comes [from you and that which comes to you](#). Your quest for [Truth](#) must begin with the [Beauty](#) of the [Self](#). That is the [Good Heart](#). The [Good Heart](#) is one that sees itself as a [Center to and from](#) which blessings flow in [abundance](#). If this picture is desired, the [heart](#) will open to accommodate its full **power of Love**, bringing [peace](#) to the [Self](#) and others. We stand by to assist your [unfolding](#), and the clarification of your [beauty](#) and [Light](#). [[Jesus](#), [Good Heart](#)]
