

principle of unity

"*BALANCE* is the **principle of unity**, of *oneness*. In it is the *stability* which lies in *CAUSE*. *BALANCE* is the foundation of the universe.

"*BALANCED INTERCHANGE* simulates *oneness* by interchange between pairs of opposites. It is the *principle of equal giving* between all moving pairs of unbalanced opposites which constitute this dual electric universe. In it is the *instability* of *EFFECT*. *Instability* is forever seeking to find *stability*. It can never find it, but it can simulate it by balancing its *instability* through equality of interchange.

"*RHYTHMIC BALANCED INTERCHANGE* is the *principle of continuity* of *EFFECT*. Balanced interchange between opposites repeats *simulation* of *stability*, and *rhythmic balanced interchange* continues that repetition." Russell, [The Secret of Light](#) ↗, page 106-107
