## Keely

"True [philosophy](#), when reached, said [Professor George Bush](#)<sup>↗</sup>, will conduct us into the [realm](#) of the [spiritual](#) as the true region of [causes](#), and will disclose new and unthought of [relations](#) between the world of [matter](#) and of [mind](#).

It is these unthought of [relations](#) which [Keely's system](#) of [sympathetic physics](#) brings to [light](#); opening out a [field](#) for research which lies beyond the boundaries of our present [knowledge](#). As yet he has been unable to satisfy his own penetrating [mind](#) in regard to all the [hypothesis](#) which his various [discoveries](#) have led him into formulating. He has himself, in his search for [truth](#), pursued the wrong path too often, and made too many [errors](#), not to welcome refutation of them, and acknowledge his [mistakes](#) when brought before him.

The title which he has given to the [latent current](#) of the [triune polar flow](#) that he discovered in 1872, "[polar negative attraction](#)," undoubtedly conveys the idea that this [flow](#) is an [agent](#) closely allied to [magnetism](#); but such is not the case.

This [latent element](#) exists in the [interstitial conditions](#) of all [nature's triple streams](#) of [force](#); in [electricity](#), in [magnetism](#), in [gravity](#); and is the [dominant current](#) in each of these, maintaining a [sympathetic relation](#) to the high or [compound luminous](#), which manifests itself when the proper [mechanical requirements](#) are used. It is entirely foreign in [character](#) to the elements now in commercial use. Researchers will always find before them a [limitless beyond](#), [comprehended](#) only by the [Infinite One](#)." [Veil Withdrawn]
