

# spiritual love

"I - We - say to men and women everywhere - true **Purity** is only attained when you can be surrounded with every form of **temptation** and yet remain untouched by **desire**, unmoved by earthly **feelings**, untainted by earthly **lusts**, free of craving and longing for **possession**.

**Purity** in its every form transcends all earthly physical hungers. **Purity** is the ability to see **temptation** for what it is - grossness of **thought** and **feeling** which traps the **senses** of men and women into doing unclean things. A truly pure person desires only the clean and honest environment suited to their innate longing for spiritual love and **beauty of self expression** in every facet of their lives. That is true **Purity**.

However, true **purity** cannot be achieved unless there have first been the long years of **temptation**. It is a necessary part of your **spiritual development**; unless you have been sorely tempted at times, and have eventually come to understand that there is a higher road to walk, a road of **self-denial**, and of sincere concern and caring for a good woman, you will never attain a state of true **purity**.

You will be enslaved by **desire** and will be in a constant turmoil of **inner conflict**." [Christ Returns - Speaks His Truth, Letter 4, page 15]
