

sympathetic concordant receptiveness

"With this medium it is plain to see how simply [God](#) works, as well as mysteriously, His wonders to perform; the [mental](#) forces kept vitalized from the great storehouse of the [etheric](#) realm, and, in controlling the physical, the deficit caused thereby renewed and kept balanced by the power of its **sympathetic concordant receptiveness**. [[Keely and His Discoveries](#), Chapter 8]
