

two-dimensional thought-ring universe

"When you have fully grasped this fact, however, much that is complex will become simple. If these sincere young physicists had that Mind-awareness they would not have reasoned as they did in relation to an experiment, which they have mistaken to be something other than *the simple, basic polarization process of Nature which extends the **two-dimensional thought-ring universe** into a three-dimensional, dual action universe.*" [Atomic Suicide, page 286]
