

universal energy Source

"Not one [action](#) of [motion](#) by man or [Nature](#) - in all the [universe](#) - can escape from the absolute [centering](#) of its [action](#) by the [Controller of all action](#). Anything, or any man who tries to escape from it, or use his "[free will power](#)" to do as he chooses, may exercise that privilege, even unto destroying himself by so doing. He will not escape, however, from the perpetual control of his **universal energy Source**. No matter what he does, to upset the [universal balance](#), he will find that the [Creator](#) of [Creation](#) always [centers](#) him, and his own unbalanced [orbit](#) is still on center with his [unbalance](#), and is perpetually in a [plane of 90 degrees](#) from the [shaft](#) upon which its circlings turn." [[Atomic Suicide](#), page 171]
