

worthiness

The mind set one is in when one is totally absorbed in painting or any other creative mode:

Abraham-Hicks

"If you were listening to the hypnotic voice of your Source, you would be constantly hearing the drum beating that says: 'You are loved and you are **worthy** and you are valued and life is supposed to be good for you. You are **worthy**, you are valued, you are loved and life is supposed to be good for you.'" [Solomon, [Abraham-Hicks](#)]
